### USING GPS

Most map programs work better when abbreviated routes are written out (SR to State Route, CR to County Road, TR to Township Road). However, some GPS units will still not recognize them. This can be solved by using "Highway" instead of "Road."

### FINDING LOCATIONS

In our rural area, a business with a Millersburg address may actually be located in Berlin, or a Sugarcreek address may be closer to Walnut Creek. We recommend reviewing our map, downloading the Wander app, or using GPS to avoid confusion.

### SHARING THE ROAD

Sharing the road with buggies, bikes, and farm equipment is often new to tourists. To enjoy a safe trip in Amish Country, here are a few tips:

1. Use caution and avoid accelerating at the top of hills.
2. Be aware that Amish Country's winding roads can create blind spots.
3. Anticipate left-hand turns made by horse-drawn vehicles into fields and driveways. If a driver's arm is fully extended, this is a left-hand turn signal—not a signal for you to pass.
4. When passing on a rural road, keep in mind the road may be narrower than city streets. Loose gravel can be hazardous. Pass slowly only when safe and on a reasonably open stretch of road.

### WANDER

Amish Country can be found on **Wander**, a free downloadable map featuring all our attractions. This is especially helpful in areas with limited cell phone service. We highly recommend downloading the Wander app with this QR code and searching for "Ohio Amish Country".

# FOOD & BREWS

*Sip & Stay Awhile*

Food is a window into our heart and heritage at Heini's Cheese Chalet.

Bunker Hill Cheese, home to Heini's Cheese Chalet, is a must-stop destination. Founded by Swiss brothers John and Crist Dauwalder, the family built a legacy of blending Swiss precision with milk from lush Ohio dairies to create exceptional artisanal cheeses.

Now under the care of the Alvarado family, Heini's Cheese Chalet continues to provide exceptional experiences to visitors. Watch cheesemaking in action and explore a variety of offerings—from creamy raw milk cheeses and A2 options to local meats, pantry staples, and Heini's famous fudge.
